Chapter 532
I Can No Longer
See Love

FAIRY TAIL

STORY THUS FAR.

The desperate plan to trap Acnologia in the "space between time" seemed like a good one, but ended in failure!! It seems that Zeref's true plan is to use the space between time for Neo Eclipse, an effort to turn back time, so he closed the opening. Now what can Erza and her allies do to fight the dragon?! Meanwhile, Natsu was losing his battle with Zeref when Mavis arrived on the scene!! Both their fates are bound to Zeref's: Natsu as his brother, and Mavis as his former lover. What does their joint destiny have in store, as the final pieces in this deadly game are put in place?!!

I'm
human!

I ain't
never
gonna
be like
Acnologia!

Actually, I
rather wish
you had the
same power
as Acnologia...
to turn into a
dragon.

That won't
help you
beat me,
Natsu.

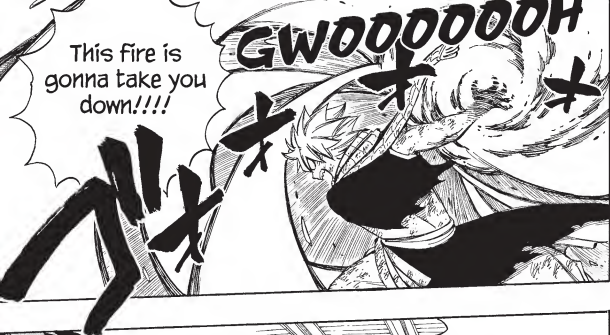

Dragon
Force...

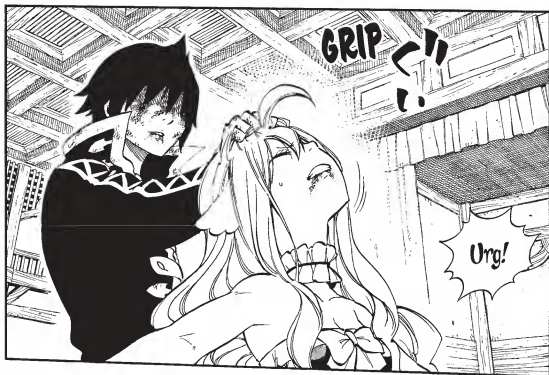

This fire is
gonna take you
down!!!!

GWOOOOOOH

Wait!
Please!!

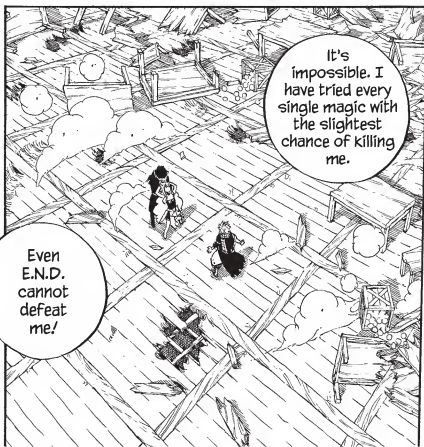

I can
release you
from your
immortal
life!

I can
save
you...

The
way to
defeat
you.

I
figured
it out.

It's
impossible. I
have tried every
single magic with
the slightest
chance of killing
me.

Even
E.N.D.
cannot
defeat
me!

I fear him
because
I cannot
die!

I can't beat
Acnologia,
not even as an
immortal!

Then why
are you
afraid of
Acnologia?

In other
words,
humanity
will soon be
destroyed!

He is here
to end
human
history!

And
because we
cannot die...
we will be
his eternal
playthings.

I wonder
what he'll
do to
us...?

.....

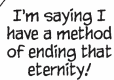

And the
only ones
remaining
will be you
and me...

So toying
with us could
become his
favorite
pastime.

I have
one,
too.

I'm saying I
have a method
of ending that
eternity!

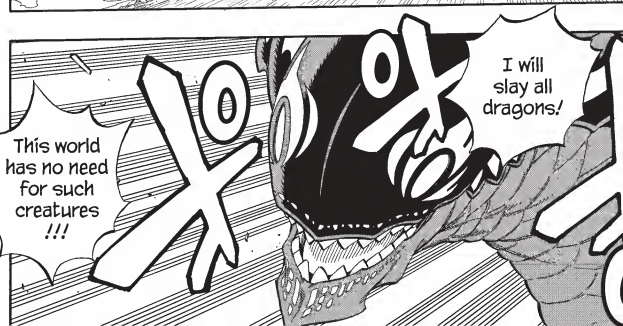

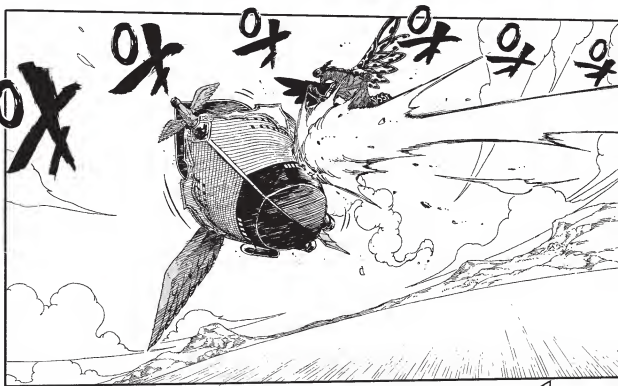

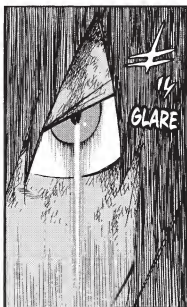

The
greatest of
methods...
Neo Eclipse
!!!

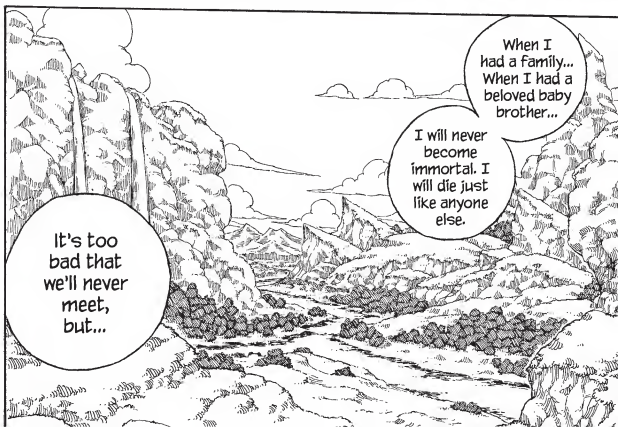

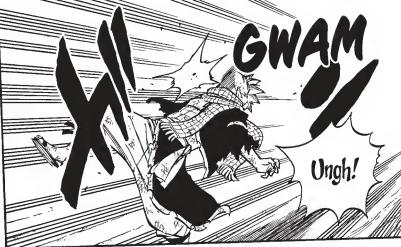

Aaa
!!!!

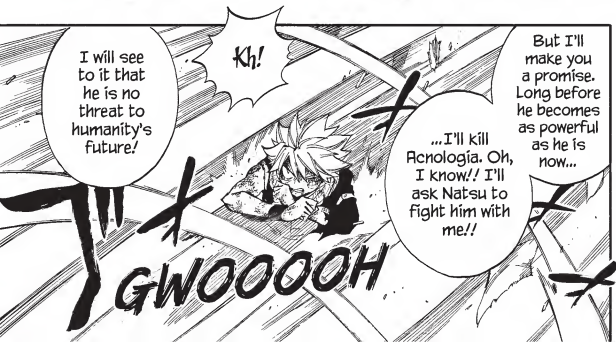

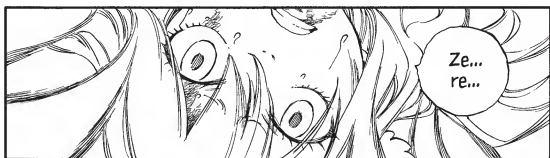

ZWOOON

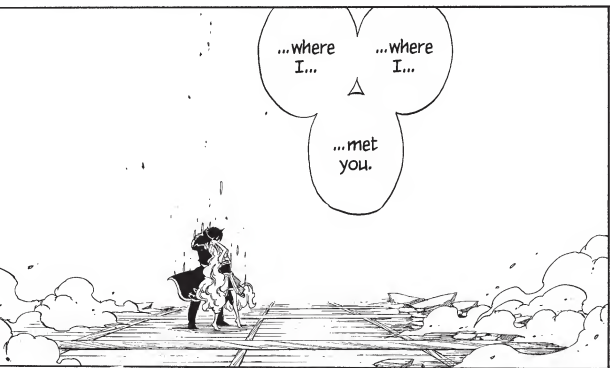

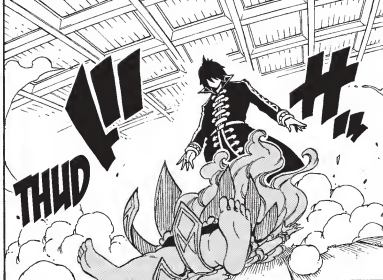

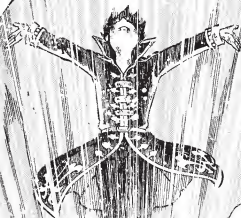

So I will bid
farewell to this
world!

*Fairy
Heart
!!!!*

GLWOOH

Unlimited
magic
power...

Power over
even time
itself!! The
power of a
god!!
